LED Mirror Instructions

How to prepare the mirror for installation?

1. Place the mirror on a stable, flat surface. **2.** Clean, degrease, and dry the mirror surface where you will attach the hangers. **3.** Remove the protective film from the adhesive on the metal hangers. **4.** Attach the hangers to the dry and degreased mirror surface. **5. Note: The hanger's full strength is achieved after 24 hours of attachment. Wait 24 hours before hanging the mirror in its final location.** **6.** Measure the distance between the centers of the previously attached hangers. **7.** Mark the measured distance on the wall and drill holes in the marked places, then insert the wall plugs. **8.** Attach the hooks with the screws included in the set. **9.** Connect the power cables to the transformer. **10.** Hang the mirror by carefully sliding it from the top. Ready!

Instructions for Mirrors / Mirrors with Backing / Prints

How to prepare the mirror for installation? **1.** Place the mirror in your chosen position (vertical or horizontal) on a stable, flat surface. **2.** Clean, degrease, and dry the mirror surface where you will attach the hangers. **3.** Remove the protective film from the adhesive on the metal hangers. **4.** Attach the hangers to the dry and degreased mirror surface, maintaining an even distance (approximately 6 cm) from the edges of the mirror. **5. Note: The hanger's full strength is achieved after 24 hours of attachment. Wait 24 hours before hanging the mirror in its final location.** **6.** Remove the protective film from the adhesive on the foam spacers. **7.** Attach the spacers to the dry and degreased mirror surface, maintaining an even distance (approximately 6 cm) from the edges of the mirror. **8.** Measure the distance between the centers of the previously attached hangers. **9.** Mark the measured distance on the wall and in the marked places, drill holes and insert wall plugs. **10.** Attach the hooks with the screws included in the set. **11.** Hang the mirror by carefully sliding it from the top. Ready!
